

Online Business Development Executive

Location:** Bengaluru

Experience:** 5+ Years

Employment Type:** Full Time

CTC:** As per company standards

Joining Time:** As per company requirement

Reporting To:** Reporting Manager

Role Overview**

As an Online Business Development Executive, you will play a crucial role in driving business growth through strategic partnerships and collaborations. Your primary focus will be on identifying and leveraging opportunities to expand our online presence, enhance customer engagement, and increase revenue streams. You will work closely with cross-functional teams to develop and implement effective business development strategies, ensuring alignment with company goals and objectives. Your success in this role will have a direct impact on the company's overall growth and profitability.

What You'll Do**

Develop and execute business development strategies to drive online growth and revenue expansion

Identify and pursue strategic partnerships and collaborations to enhance our online presence

Collaborate with cross-functional teams to develop and implement effective business development plans

Analyze market trends and competitor activity to inform business development decisions

Monitor and report on key performance indicators (KPIs) to measure business development success

Utilize e-commerce and digital marketing expertise to drive business growth and revenue expansion

Who Will Succeed in This Role**

To succeed in this role, you will need to be a strategic thinker with excellent communication and interpersonal skills. You will be a self-motivated and results-driven individual who can work effectively in a fast-paced environment and adapt to changing priorities and deadlines. Your ability to build strong relationships with stakeholders, think creatively, and drive business growth will be essential to your success in this role.

Must-Have Skills**

5+ years of experience in business development or a related field

Proven track record of driving business growth and revenue expansion

Strong understanding of online business models and market trends

Excellent communication and interpersonal skills

Ability to work effectively in a fast-paced environment and adapt to changing priorities and deadlines

Strong networking and relationship-building skills

Preferred Skills**

Experience in e-commerce or digital marketing

Knowledge of CRM software and data analysis tools

Ability to think creatively and develop innovative business solutions

Fluency in multiple languages (optional)
