

Sales Trainer

About Us

WOGOM is a B2B Commerce and Retail Enablement Platform, empowering 6,000+ retailers and 450+ sellers across India. Our goal is to build a connected ecosystem where technology, capital, and commerce converge to help Indian retailers scale with confidence.

Role Overview

The Sales Trainer will design and deliver effective training programs to drive pitch retention and sales team performance. They will bring a strong background in sales expertise and a mindset focused on creative training methods.

Key Responsibilities

- Design and deliver comprehensive training programs for the sales team, focusing on company information, pitches, and product knowledge.

- Create engaging training experiences using gamification techniques to drive employee participation and pitch retention.

- Evaluate training programs and identify areas for improvement to drive sales team performance.

- Collaborate with cross-functional teams to develop and deliver training programs aligned with business objectives.

- Train sales team members and devise strategies to ensure pitch retention.

- Identify opportunities to expand training programs and develop new content.

Requirements

Must-Have Skills

- Expertise in gamification and training development.

- Experience in training and sales principles.

- In-depth knowledge of sales techniques.

- Strong communication skills.

- Experience in evaluating training programs.

Nice-to-Have Skills

- Strong communication skills for facilitating training sessions.

- Experience in developing training programs for large groups.

- Knowledge of adult learning principles.

Who Will Succeed in This Role

The ideal candidate will be results-driven, collaborative, and creative, with a focus on driving sales team performance and pitch retention.

Success Metrics

- Design and deliver a comprehensive training program within 30 days.

- Evaluate the training program's effectiveness within 90 days.

- Refine and expand the training program within 6 months.
